

Dear Community Friend,

On Saturday, October 5, 2019, the Leander High School Band will host its *Eighth Annual March-A-Thon*. Students will participate in a four-hour non-stop rehearsal, culminating with a free public performance at 7:00pm. Funds raised will support program scholarships for band members in need, and help cover many of the operating costs, which help keep program fees affordable for families. Would you consider making a donation today?

The Leander Band has a rich history of musical excellence that includes invitation-only performances at the Rose Bowl Parade in Pasadena, CA, and the Saint Patrick's Day Parade in Dublin, Ireland. In 2016, the Leander Band traveled to Indianapolis to compete in the 2016 Bands of America Grand Nationals Competition to compete with bands from all over the United States. We are proud to say that not only did they WIN the AAA Division and capture all of the ancillary awards, they also placed 6<sup>th</sup> in the NATION. This could not have been done without support from our community. And we will be going again in 2019!

*"The Leander Band is a team whose success through goal and achievement is attributed to its unconditional pride and devotion to the program."*

It is through the spirit of putting this mission into action which fuels everything the band members are involved in, from academics, to performances, to ensuring that Leander High School has one of the best programs in the state and is available to anyone who is willing to live by that mission.

With cuts in music education and rising costs associated with the program, it is more important than ever that we continue to be successful in our fundraising so that the program is accessible to all who desire the educational and experiential learning opportunities which band can provide the most.

This fall, the Leander Band is stepping up their competitive program by adding more Bands of America regional competitions. As you can imagine, travel is costly, as we must transport over 300 students plus faculty, chaperones, parents, instruments, and props. We need every student to join us!

Thank you for your consideration in supporting this talented group of students.
